PUBLIC NOTICE

The Directorate of Economy and Infrastructure of the Public Entity hereby informs the general public that in compliance with the Ordinance(s) "**Street names and house numbers & the Island ordinance for improving public order and community protection**", the Public Entity has initiated the Street name and House number project. The installation of the streets signs has already commenced and will continue into the first quarter of 2019.

In order to effectively position the Street name signs and in compliance with the ordinance; some signs will be erected on non-public terrains. Subsequently, in the first quarter of 2019 all inhabited objects will be provided with a number plate once for free. The number plate will be placed on the object in such a way that they are clearly visible from the public road. We apologize for the inconvenience and ask for your full cooperation for the duration of this project. If further clarification is necessary Please contact the Census Office at: **Telephone: 318 2497 or 318 2017 Monday to Friday 07.30 – 12.00 and from 13.00 – 15.30.**
