

Motion

Date: December 23, 2021
From: PLP Faction and Faction Sneek
Subject: Mediation

Considering,

- the way the debate is going between the members of the island council and the government commissioner
- the extreme strong disagreements between the two parties and the escalation of debate
- the inability to come to a consensus between parties
- the clear lack of trust on how to move on with the path of the restoration of democracy on St. Eustatius
- that this is seriously hampering the process

Resolves,

- to seek mediation of an independent third party to bring parties together
