

ST. EUSTATIUS
HEALTH CARE FOUNDATION

COVID-19 VACCINATION FORM

For the past several months the Public Health Department has been working in close collaboration with the Dutch Institute for Public Health and Environment (RIVM) and the Ministry of Public Health, Welfare and Sports (VWS) to make a COVID-19 vaccine available for residents of St. Eustatius.

The Dutch government is prepared to make the Moderna vaccine available for the whole eligible population of Statia. Vaccination is scheduled for the last week of February. The vaccine will be made available for all individuals 18 years and older.

Registration can be done by: 1. Filling in the registration form via email

vaccinationregistration@statiagov.com

2. WhatsApp by photographing the registration form Tel +599 318-5146

3. Calling the Public Health Department +599 318-2891

4. Filling in the registration form at the Medical Center, Golden Rock Pharmacy and Public Health Department This is an opportunity to protect yourself, your family and community!
