Subject: Invitation to a Closed-door meeting of the Central Committee

Dear Island Council Members,

There will be a closed-door meeting of the Central Committee, in accordance with articles in paragraph 5, Article 37, of the Rules of Order and Article 119 of the WolBES.

The agenda and meeting documents are enclosed in this correspondence.

The purpose of this meeting is to inform the Council members privately about the state of affairs regarding the COS (Centraal Overheidskantoor St. Eustatius); the Poverty Policy and the Health Policy. At the start of the meeting, the Chairman will impose confidentiality based on Article 119 WolBES to all persons present in the meeting. Confidentiality is imposed due to the provision of financial and economic interests of the Public Entity of St. Eustatius, as the relevant stakeholders have not yet submitted all their input in these policies and the COS is still under negotiation.

Thanks for your understanding and cooperation in this matter.

Sincerely,

Ms. M.A.U. Francis
Deputy Government Commissioner
